About me

Hello! My name is Jane and I'll be completing my work placement here early November. I love working with children, I have two younger siblings under the age of 7 myself. I often volunteer at the local school to assist during school holidays.

I love singing, I can play the guitar and I speak Spanish. I hope I can support the development of your children while I'm at the service.

I'm looking forward to getting to know you all.
