# Getting into the city

Wellington city is very close and it's very easy to get to.

Cuba Street is often referred to as the cultural centre of the city – to get there you can:

## Drive or walk

Head north on McColl St toward Krull St then continue onto Dransfield St  
(220 m)

Take Hutchison Rd to Wallace St  
(1.2 km)

Continue on Wallace St to Te Aro  
(1.3 km)

Turn right onto Cuba St

## Take a bus

There's a bus stop about 30 metres up the hill from the house. The number 21 bus will take you to Taranaki street. Cuba street is just around the corner.

## The room

There is a **spare duvet** in the wardrobe, and a **heater** if it gets cold.

Feel free to use the computer – it has Skype installed and you're welcome to install any other software you need. The **password** for the computer is "welcome".

**Towels** and **bedding** can be found in the hallway cupboard.

## Kitchen

You're welcome to use the kitchen. You'll find **pots** and **pans** in the bottom drawer. **Plates, cups** and **glasses** are in the cupboard next to the fridge with the **microwave**.

Help yourself to any of the baking supplies in the cupboard next to the back door. Feel free to store your food in here too.

There's a **rubbish bin** under the sink.

If you need to run the **dishwasher**, there are **tablets** in the cupboard next to it.

## Downstairs laundry

There's a front loading **washing machine** and **dryer**, you're welcome to use. Please try not to overload them.

For a normal wash use the cotton setting.

There is a **clothesline** right down the back of the property, the blue one is mine.

## Bathroom

Spare **toilet rolls** are in the left hand cupboard.

There is a small selection of **medicine** in the lowest drawer, help yourself if you're in need.

Help yourself to fruit and cereal. There's milk in the fridge and your welcome to any of the food you find in the cupboards.

## The keys

### House key

Fits the lower lock at the back entrance.

### Downstairs laundry key

The entrance is under the stairs at the front of the house.

If you're leaving the house, lock the sliding door from the inside and exit through the back door.
